Greetings,

The Claremont High School Instrumental Music Program is a growing, award-winning music program from Southern California. Our program consists of more than 130 students participating in ensembles including String Orchestra, Symphony Orchestra, Concert Band, Wind Ensemble, Marching Band, and Color Guard. Along with the many different music programs provided at Claremont High School, students that study music improve their cognitive skills and gain valuable leadership and social skills such as self confidence, teamwork, self-accomplishment and responsibility.

To provide students with the rich opportunities our program offers, we are seeking cash and in-kind donations from businesses and individuals in and around our community.

Your tax-deductible donation will help our program achieve its goals. In appreciation for your generosity we offer many opportunities to promote your business, for example, shout outs on social media, advertising space in our programs, on our website and/or on our band trailer. At our highest level of sponsorship we offer a 30 minute concert at a future event hosted by your business (subject to availability and restrictions).

We couldn't do the work we do without the help of generous people like you. I hope we can count on your support. Please feel free to contact us via the phone number or email provided above.

We look forward to you joining our Wolfpack family and thank you in advance for your consideration and support!

Sincerely,

Burke Shouse  
Instrumental Music Director  
Claremont High School
